

# STUDIO SESSIONS

Northern Power Women and Northern Power Futures founder, Simone Roche MBE in conversation with **leaders, influencers and change-makers** across all sectors. Whether trying to solve an issue, provide key insight or spotlight role models, **we will work with your organisation** to curate a series that accurately represents **your brand and mission** in line with NPW's agenda.

## SPECIFICS:

- Hosted by Simone Roche, MBE interviewing trailblazers, go-getters and do-gooders
- 15-minute conversations live-streamed across all platforms, also available for playback
- Organisation logo will be featured on the Eventbrite page and social media
- Same time each week to be built around a campaign sponsored by your organisation

## BENEFITS:

- Brand amplification through social channels and NPW newsletter
- Furthering a progressive and positive agenda
- Association with NPW and access to the 60k strong community
- Opportunity for senior leaders in your organisation to gain exposure
- Collaboration on the series themes

## SPONSORSHIP OPTIONS

Flexibility on number of sessions in the series
