# GETTING INVOLVED

NPWLive 2021 is about **connecting** and **supporting** people. We want to enable you to share your skills and knowledge, make a difference to someone's life and career all by **paying it forward**. At a time when we may be feeling disconnected, we want to ensure everyone feels supported and those who are able to can support others. **Everyone can do something**, for someone else so we are asking you to **invest your time**, be **generous**, **amplify voices** and join us on 8th March.
